Clinical Psychology
Wheaton College

Master of Arts
Psychology
American University

About Me

I am delighted to join the Center for a therapy practicum while working under the supervision of Dr. Elissa McGovern for the 2020-2021 training year.

I strive to make therapy a fun and engaging safe haven for children and adolescents to explore and process their thoughts and emotions.

I help my clients cope with a variety of issues, including...

- ✓ Autism Spectrum Disorder
- ✓ Anxiety
- ✓ Cross-Cultural Adoption
- ✓ Oppositional Behavior
- ✓ Depression
- ✓ Identity Formation
- ✓ ADHD

Services Offered

COGNITIVE BEHAVIORAL THERAPY

improves behavior and mental health by challenging the client's maladaptive cognitions

PLAY THERAPY

helps younger children express and process their emotions through playing with toys
